Dear _____,

Thank you for your letter.

I've got great news! We have a new subject at school now – Cookery lessons. We learn to make different things: vegetable and fruit salads, sandwiches, burgers and even pizza. But I like baking desserts most of all. My favourite is chocolate biscuits. To make them you need flour, butter, eggs, sugar and chocolate. Yummy!

Who cooks in your family? What can you cook? What do you usually eat for dessert?

Write back soon.

*Thank you for your letter. It was nice to hear from you again.
Last Saturday I stayed at my friend's home. We were very happy*

because we played board games, watched funny cartoons and listened to our favourite music. We also danced to music – my friend can do it very well. His mum cooked a lot of tasty things for us. Then we were tired and decided to go to bed. It was a fantastic day!

Did you stay at home at the weekend? What did you do? Were you happy?

Write back soon.

Love,

Steve

Dear _____,

Thank you for your letter. It was nice to hear from you again.

I'm writing to tell you about my last day off. It was the best time of the week. I went to the country with my parents. It was warm and sunny. First, I rode a bike and played with my friends. Then we went to the river and had a picnic. It was really fantastic! Finally, I came home but I was so tired that I went to bed. I slept very well and I was happy again in the morning.

What did you do on your last day off? What was the weather like? Was it a special day?

Write back soon.

Best wishes,

Larry

The Emerald City

Dorothy and her friends came up to the walls of the Emerald City. The soldier near the door gave them glasses and asked to wear them in the city. The soldier opened the door for them and they went in. Everything was beautiful in the Emerald City and every-

thing was green: the houses, the streets, the people and the sky. Dorothy and her friends were happy and they wanted to see the magician soon. The magician's name was the Wizard of Oz and he was the cleverest of all. Nobody ever saw him. He looked different to different people: sometimes he looked like an animal and had two heads, five eyes and five legs. Sometimes he looked like a beautiful girl. Every day he had something new but he was very kind and he helped a lot of people. When Dorothy talked to the Wizard of Oz, there was only a big head but it had no body. "What are you going to ask for?" said the head. Dorothy answered, "I want to get back home. Will you help me?" "Yes, but you must pass a test first," said the head.

Dear _____,

Thank you for your letter. I'm writing to tell you about what I'm going to do in summer.

In June I'm going to the country. I like it there. I've got a lot of friends and we usually have a whale of a time. In July I'm going to the seaside with my mum and dad. It's fun too. Last year I was there with my aunt. I swam and played. This year I'm going to surf.

In August I'm going to stay at home. I think I will go to the cinema and play in the park. I hope the weather will be nice.

What is the weather like in summer in your place? What are you going to do in summer? Are you going to go to the seaside?

Write back soon.

Best wishes,

Jim
